UNMET NEEDS

STREAMLINED PLATFORM FOR SURPLUS MEDICATION REDISTRIBUTION

Customers:
Individuals with surplus medication

AFFORDABILITY OF MEDICATIONS FOR CHRONIC CONDITIONS

Customers:
Underprivileged Patients

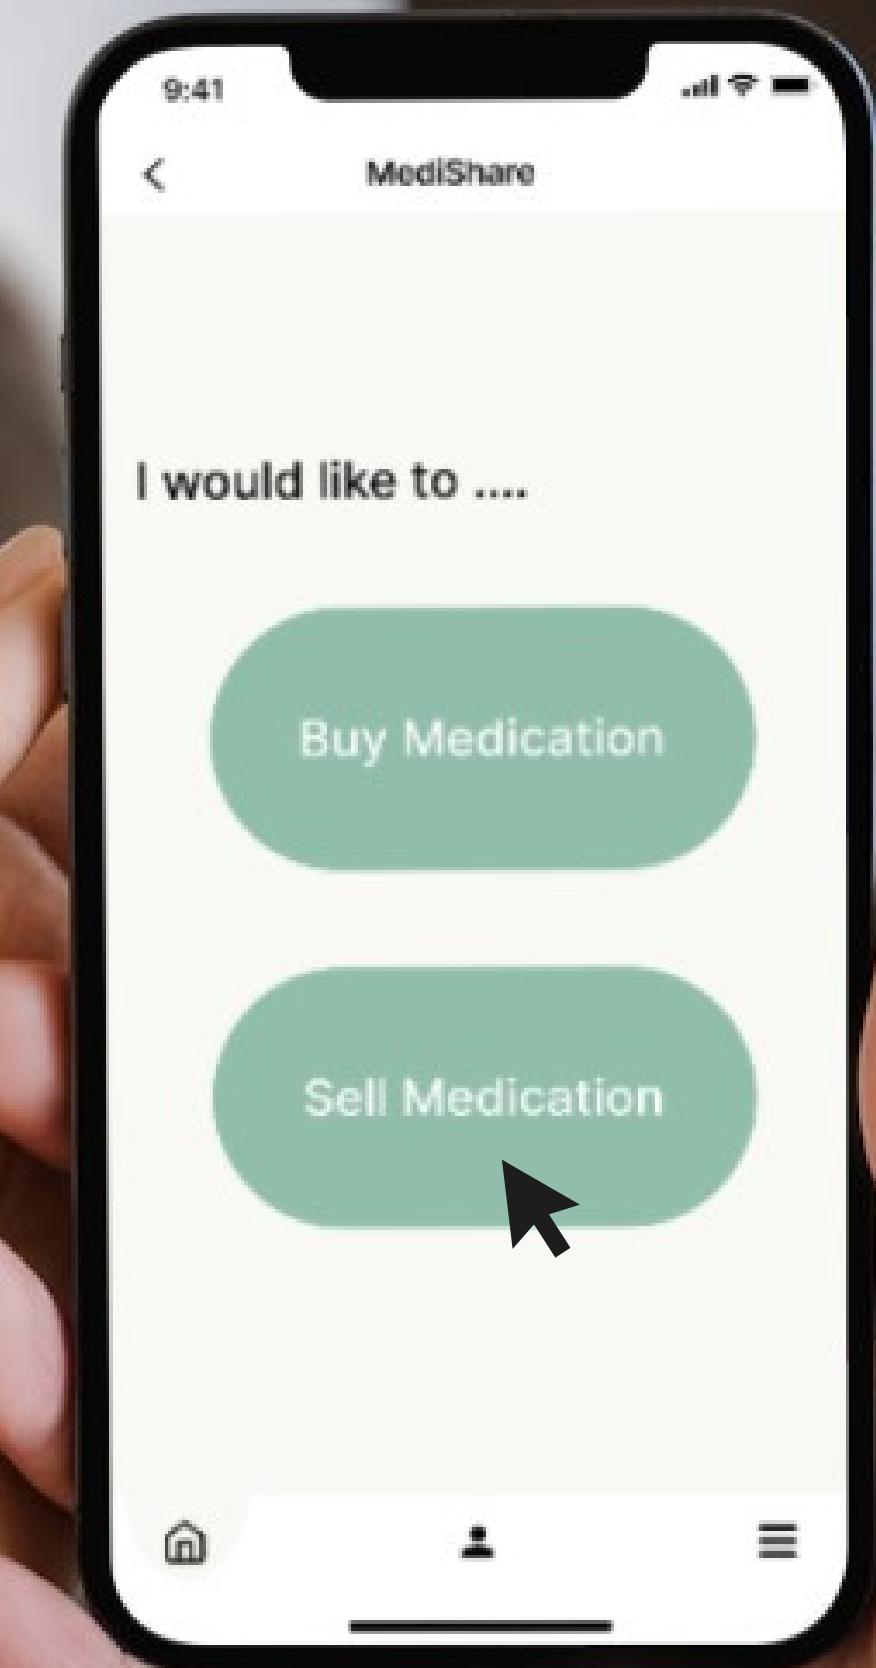

Proposed Solution

MediShare is a unique medication redistribution app where users can sell their excess medicines to us. Our professionals carefully screen these products before offering them to those in need of affordable, unused medication.

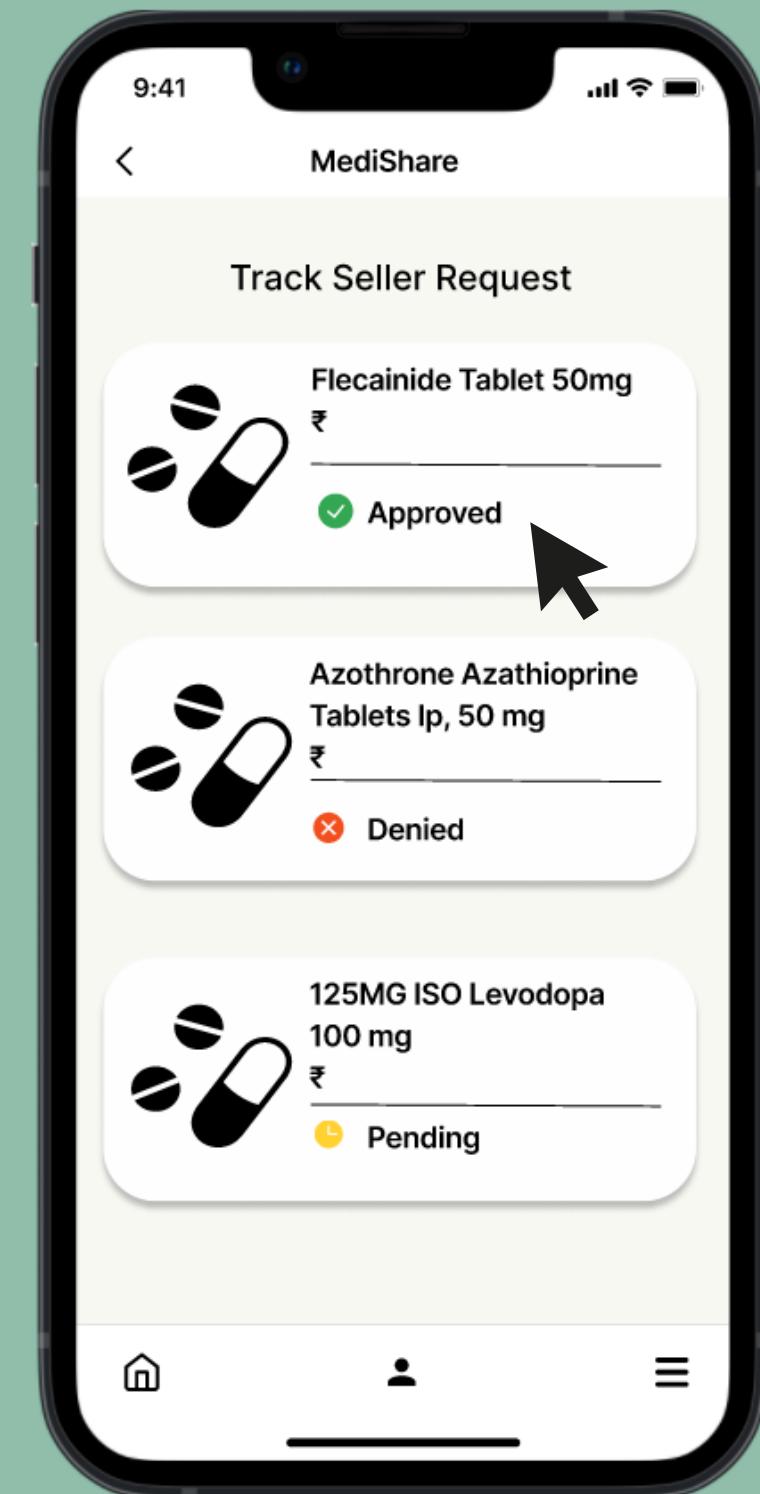

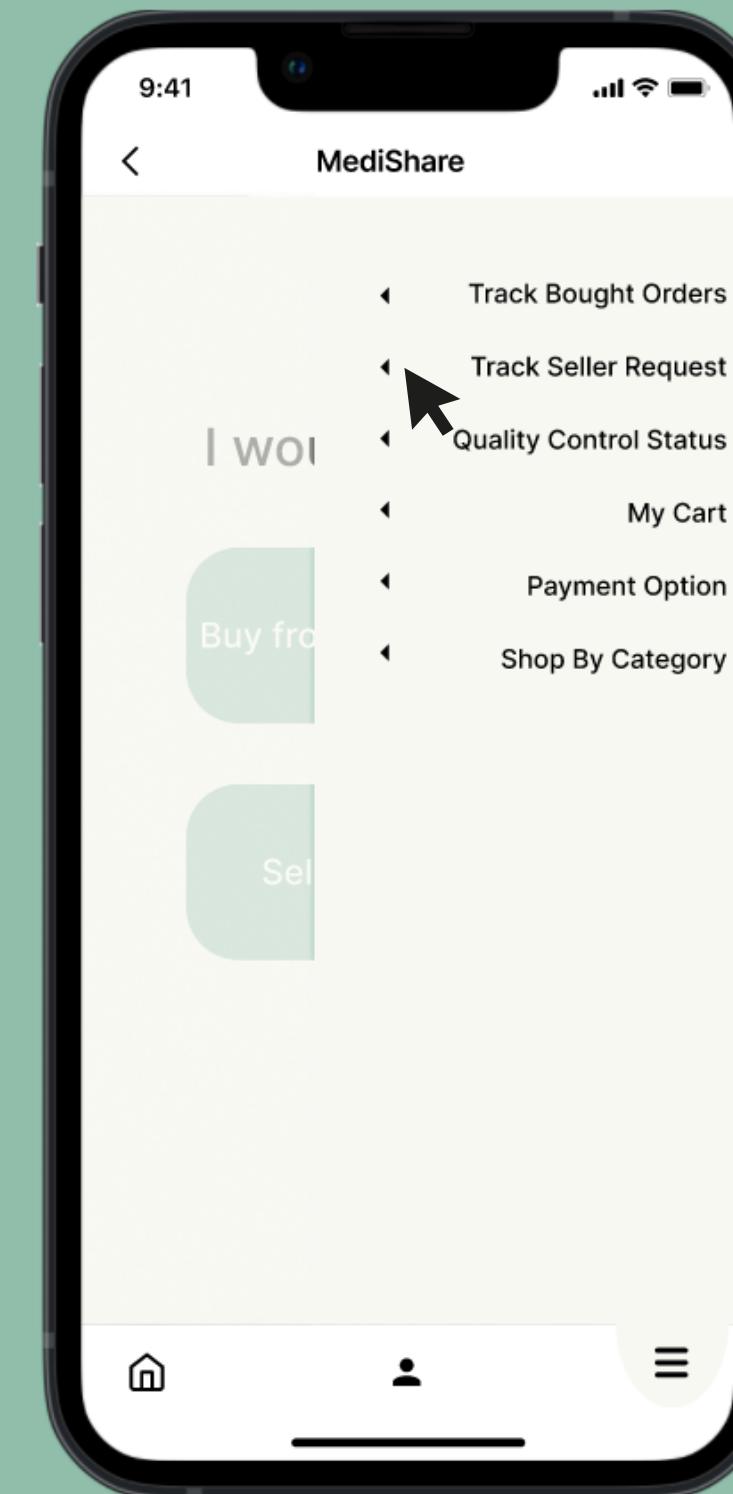

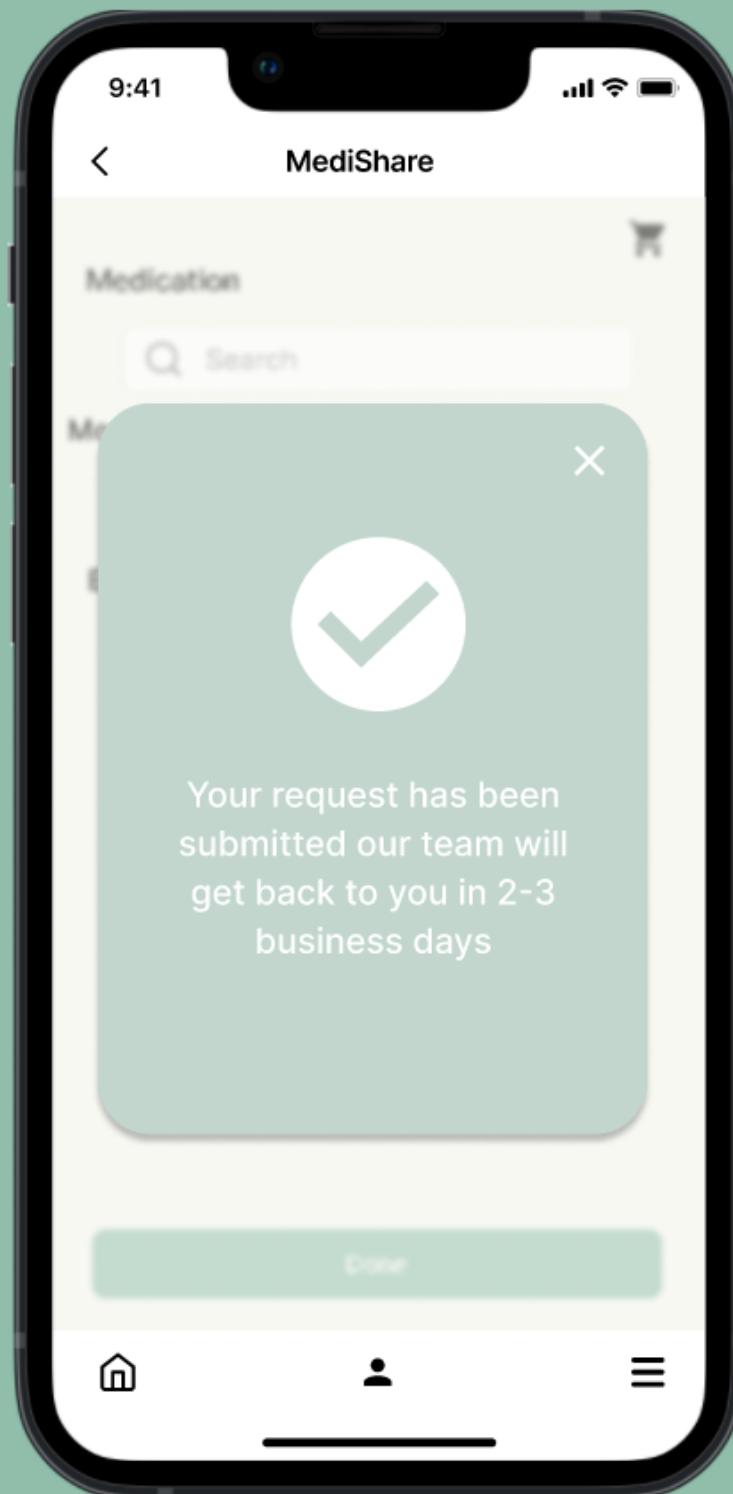

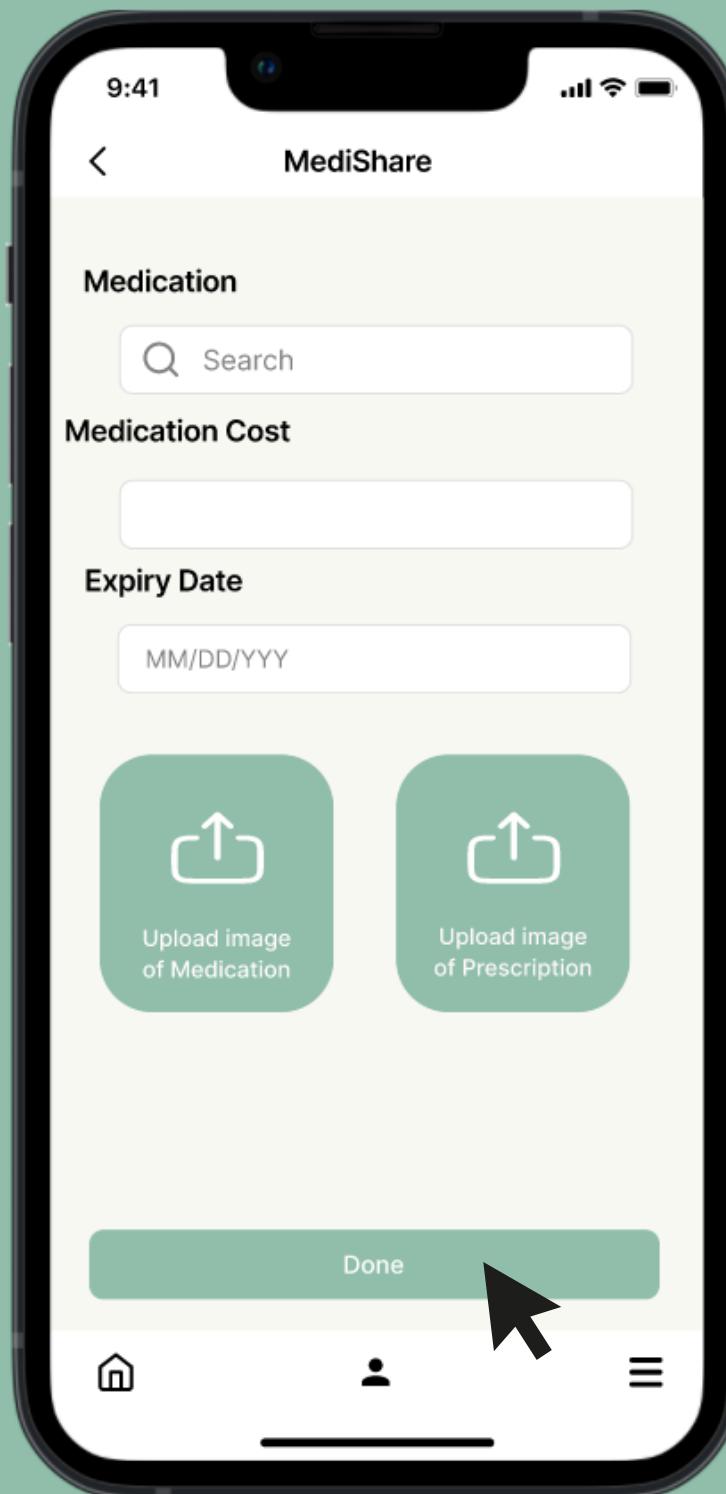

Unlike traditional pharmacies or donation programs, we offer a streamlined solution, ensuring surplus medications reach those in need while reducing waste.

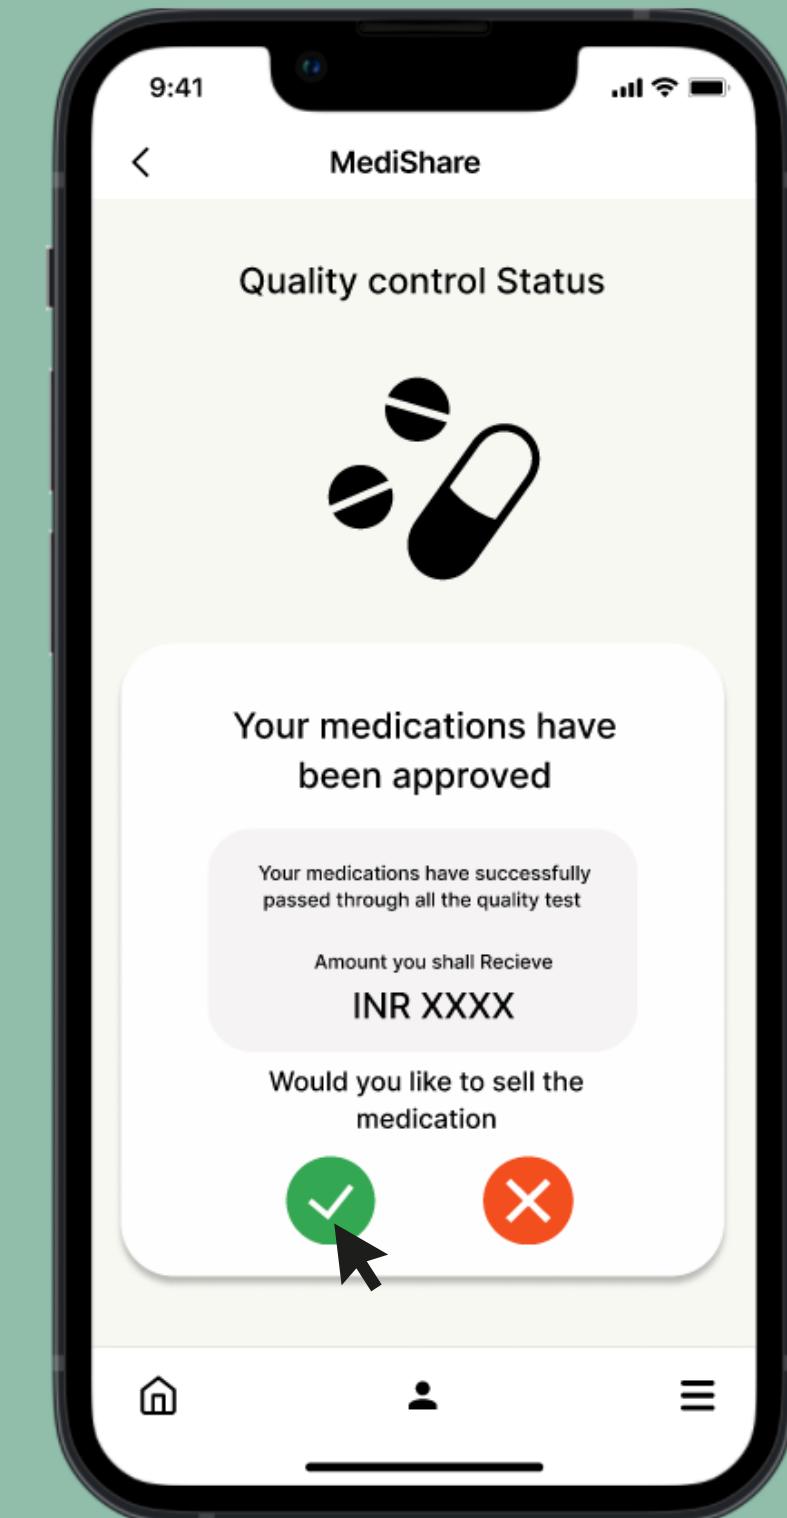

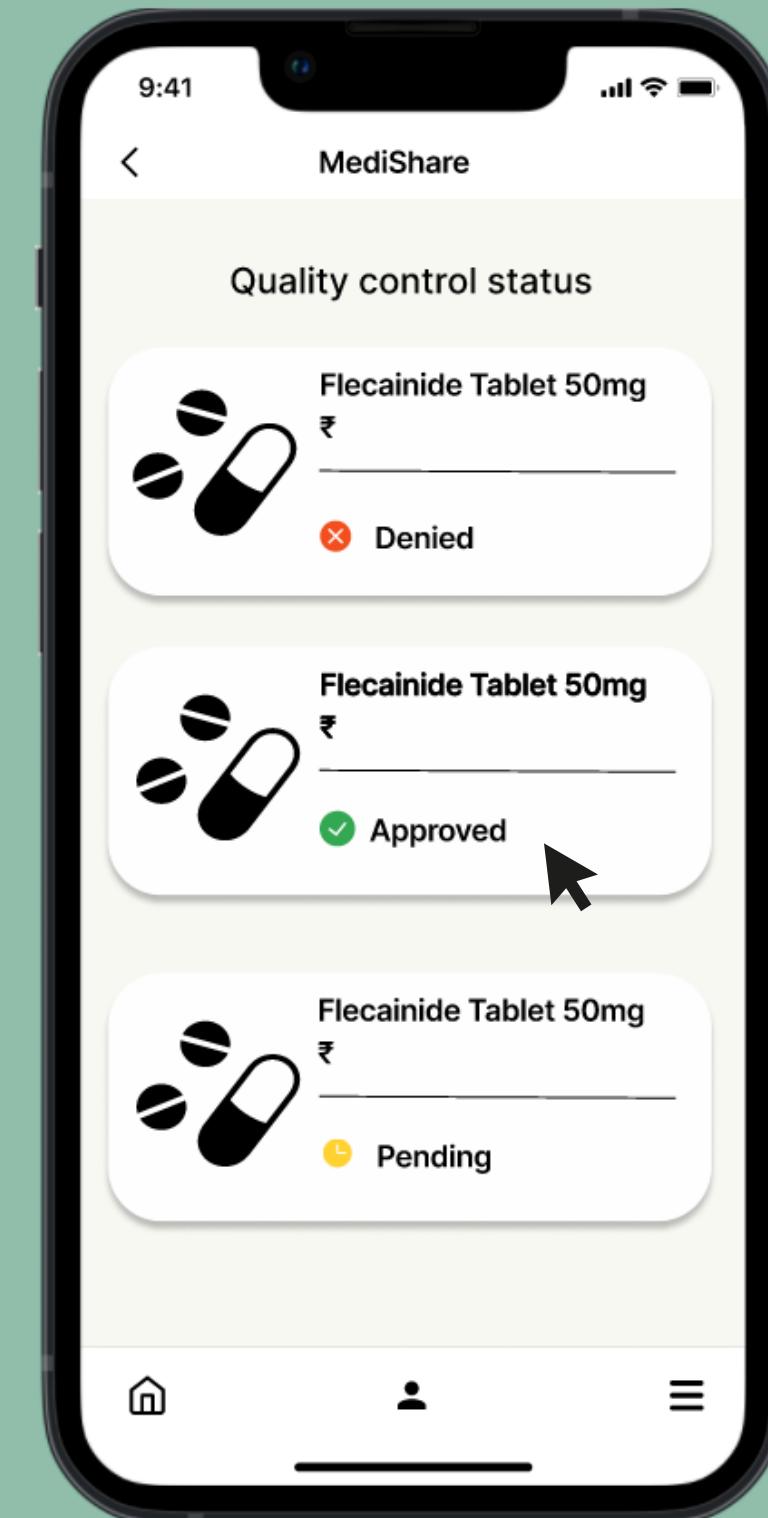

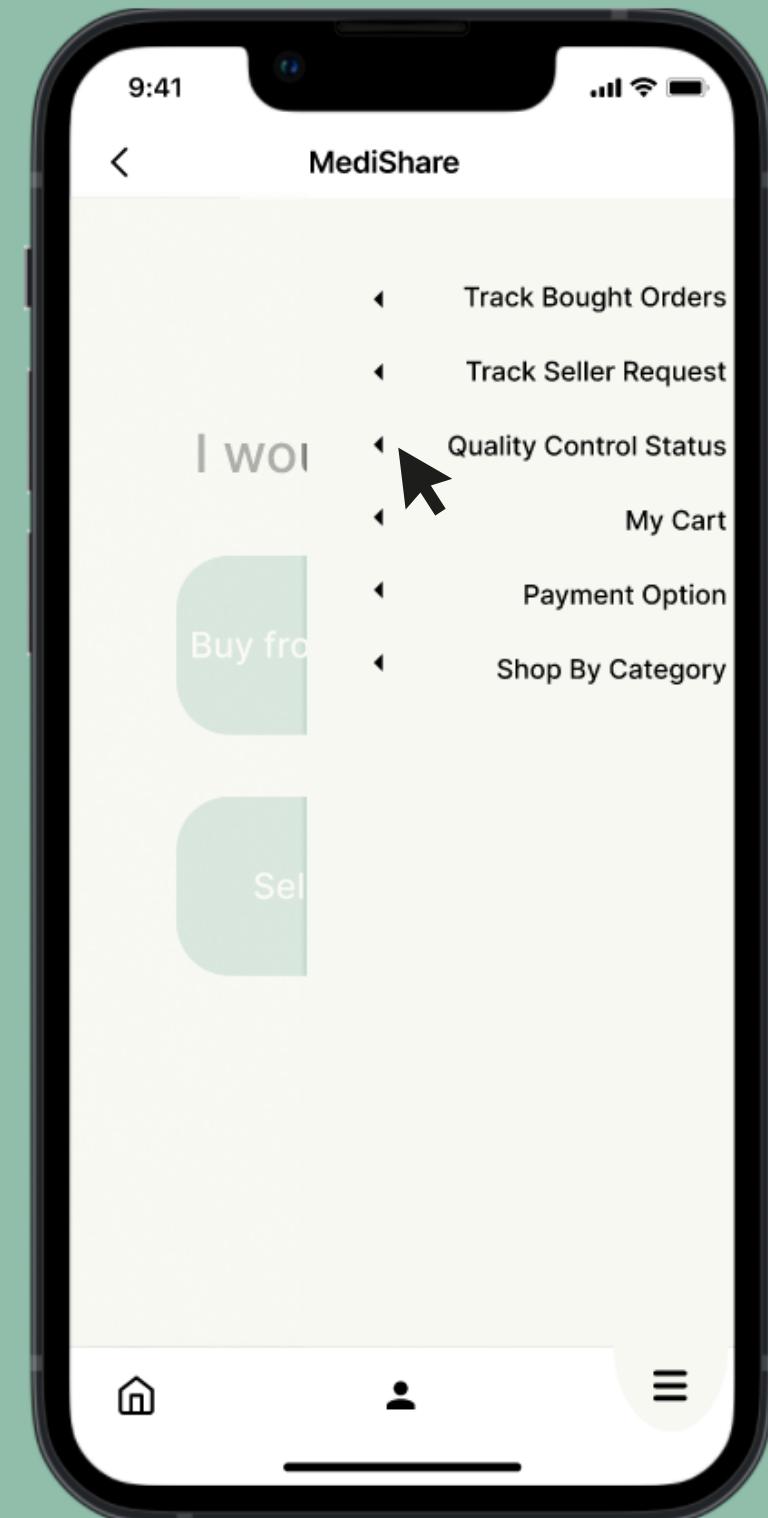

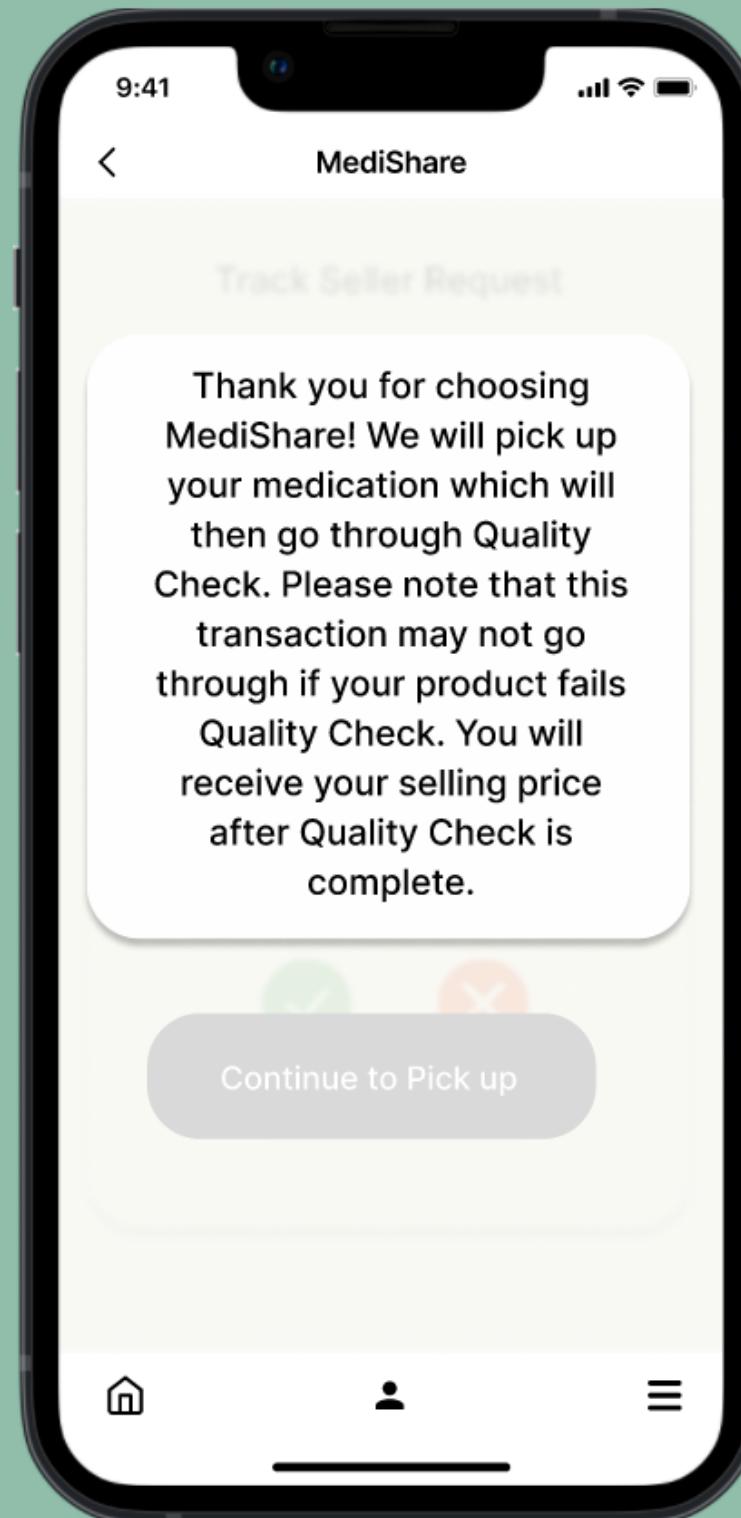

- **SECURE MEDICATION VALIDATION**
- **STREAMLINED DONATION PROCESS**
- **FAIR PRICING MODEL**
- **SAFE AND SECURE TRANSACTIONS**
- **SIMPLE BUYER EXPERIENCE**
